

**ZOE VOLUNTEER PROFILE
Barbara Johnson**

Zoe Pregnancy Center is sad to announce that Barbara Johnson has decided to leave her position at Zoe Pregnancy Center. Barbara began to volunteer soon after Zoe decided to open our Thrift Store in July 2007 and has been here since. "Barbara has been a dedicated and extremely dependable volunteer and will be greatly missed" stated Fabiola Sanchez, director of the Center. "We value our volunteers and know that we cannot do the work of a crisis pregnancy center without each one of them." Barbara is married to Dan Johnson and is a member of the First Baptist Church here in Las Vegas where she is active in nursery work as well. If you would like to make a difference, volunteer at Zoe by calling us at 454-4357 or go to our web site at www.myzpc.org, go to the volunteer tab and sign up there. You will find a list you can choose from.

Walk for Life

Celebrate life with the ZPC board, clients and volunteers to promote the sanctity of life as we give hope to unborn babies.

Zoe is conducting a WALK FOR LIFE walk-a-thon Sat., Sept. 11. Our goal is to raise funds to continue our free services to our community, educate the women and men who come through our doors on how to care for themselves and their babies before and after birth. The walk will begin at two designated places. One is at the Plaza Park and the other is at Carnegie Park. We will begin registration at 9:30 am and will begin the walk at 10. We will proceed to walk to the Zoe Pregnancy Center where we will share lunch and fellowship. 100% of the proceeds will support these pro-

Men of God Pastor Appreciation Breakfast

For you are the light of the world, a city set on a hill cannot be hidden.

Matthew 5:14

Our spiritual leaders are a vital part of our community. We are aware of the valuable work they undertake on a daily basis and know that they are all worthy of the honor for the sacrifices they make so that we can grow. If you are a pastor, minister or ministry leader please join us October 2, 2010 at 9 am at the El Fidel Restaurant at 510 Douglas Ave. for breakfast and plan to stay for a morning of encouragement and enlightenment.

We know these ministry leaders may be the first a desperate girl turns to when she needs help so

we would like to make the Center and our services available to those serving our community. We would like to serve as a resource to ministry leaders when they need information on life and the sanctity that God has placed on each one of those lives.

If you would like to make sure your ministry leaders are included, call us for an invitation. RSVPs are due by Sept. 27 to assure a reservation for this special event. This event is sponsored at no cost to participants. Please call Zoe Pregnancy Center at 454-4357.

LET'S MAKE A DIFFERENCE!!

God creates life and at the moment of conception his being is complete, lacking nothing —what will be added from this time until the old man or woman dies? Nothing but nutrition and oxygen. This being is programmed from within, moving forward in a self-controlled, ongoing process of growth and development.

This baby's heart begins to beat in 18 to 25 days after conception, and there are brainwaves recorded at 40 days. The baby has fingerprints, can swallow and can kick at 11 to 12 weeks.

Our nation is facing a frightening national crisis. Every day in America 4,000 babies are aborted. Our nation is going through a holocaust and has been for thirty five years. Over fifty million lives have been lost through abortion in the United States. America must wake up to this huge sin of abortion in our land, and do something about it. Satan has convinced us to sit back while this takes place and deceives us in believing that it's too big an issue for a few of us to engage in. **Do not be deceived.** Let's not sit back and ignore the silent dying voices. Life is precious to God.

We must pray that God can stir our hearts and awaken us to the tragedy that is occurring in our country.

We must become active in VOTING for candidates who maintain life affirming positions on public policy.

Zoe needs Christians who have a vision, Christians who can lead, who have practical skills to help us progress to the next level of effectiveness.

Please join us in standing for life in a society that increasingly chooses death.

You must be the change you wish to see in this world
